

USS CORONADO (LCS-4) COMMISSIONING INFORMATION

**Marking the acceptance of USS CORONADO
as a unit of the operating forces
of the United States Navy**

Participation

The commissioning ceremony is an official U. S. Navy event for which there is no admission fee. Admission is, however, by invitation only due to limited seating. Invitation lists will be submitted by crew members, U. S. Navy organizations involved in the ship's construction and the Coronado Council of the Navy League which has accepted the responsibility of sponsoring the events that accompany the commissioning ceremony.

These are memorable events not only for the City of Coronado, but especially for the members of CORONADO's crew and their families, and we are requesting your assistance in this effort. Your contribution will enable us to conduct these celebratory events that honor the ship, her Commanding Officer and crew and reflect the pride of our city in our namesake ship.

If you only desire to attend the ceremony, please e-mail your name and address to our Invitation Chairman Cindy Wilson at cindyw@san.nrl.com. We expect invitations will be mailed about 60 days prior to the ceremony. If you are interested in contributing to our community's support efforts, please review the accompanying contribution levels and select one that you feel is appropriate. The events supporting the commissioning are not paid for by the U. S. Government but are privately funded by the Coronado Council of the Navy League, a non-profit organization.

The beneficiaries of these funds will be the ship, her crew and their families. With your help we will provide an unforgettable experience for you, our city and the Sailors of the USS CORONADO.
